The Thank You Song
(Matt Coffman)

Thank you, Lord,
For the gift of this life.
Thank you for all of Creation,
Thank you for light.

Thank you for peace and for quiet,
And thank you for sound.
Thank you for Truth and for Love,
And the power of Now.

Thank you for time and for space,
For breath and for blood.
For giving us everything, everything,
And always with Love.

Thank you for life,
From cradle to grave.
Your precious protection
Corrects and reminds us to pray.

Thank you for wind,
Thank you for sun.
Thank you for planting your presence
Within everyone.

Thank you for practice and effort,
And thank you for growth.
Thank you for laughing and learning,
And thank you for jokes.

Thank you sincerely, thank you clearly
With all of my heart.
That river inside me that guides me
From your whole to my part.

And as we find freedom, Lord,
Help us remain.
So we can help others
Come out of their pain.

Thank you Lord for Redemption
And thank you for Grace.
Thanks for your sacred creation -
The Human Race!

So help us oh Lord,
Please hear our song.
Guide us in goodness and train us
To serve one and all.

Look for the truth in the things that you know

I am the singer, you are the song
Held in the open sky, so far above

All that I ever need is in your name
Carry your heart in mine, vast as space
All that I am today is by your Grace

Mere Gurudev (Krishna Das)

Mere Gurudev, charanon par sumana shraddha ke arpita hai

(instrumental, then repeat first line)

*My Gurudev I offer these flowers of my faith at your feet
Whatever I have, you have given to me, and I dedicate it all to you.
I have no love, nor do I know you.
I don't even have the strength to worship you,
But this mind of mine, this body of mine,
my every atom is dedicated to you.
You are the only one in my heart and my thoughts.
You are the one who I call out to.
My Gurudev I offer these flowers of my faith at your feet
Now Make me your instrument...all I am I offer to you.*

Love is My Religion (Ziggy Marley)

All my days I've been searching,
To find out what this life is worth
Through the books and bibles of time
I've made up my mind

I don't condemn, I don't convert,
This is a calling have you heard
Bring all the lovers to the fold,
'Cause no one is gonna lose their soul

Love is my religion,
Love is my religion,
Love is my religion
I'll take you to the temple tonight

I don't want to fight,
Hey let's go fly a kite
There's nothing that we can't cure,
And I'll keep you in my arms for sure

So don't let nobody stop us,
Free spirits have to soar
With you I share the gift,
The gift that we now know

Love is my religion,
Love is my religion,
Love is my religion
Hey you can take it or leave it,
And you don't have to believe it
Well I'm done searching now,
I found out what this life is worth
Not in the books that I find,
But by searching my mind

I don't condemn, I don't convert
This is the calling have you heard,
Bring all the lovers to the fold
No one is gonna lose their soul

Love is my religion,
Love is my religion,
Love is my religion
Hey you can take it or leave it,
Now do you believe?
